OCTOBER 2016 MARKS ANOTHER SUCCESSFUL 'GO PURPLE' CAMPAIGN!

Each year during the month of October, the Child Abuse Prevention Committee (CAPC) of the Windsor-Essex Children's Aid Society invites organizations across Windsor and Essex County to **Go Purple for Child Abuse Prevention**.

Our theme for 2016 was **"IBreakthesilence."** We challenged you last year to join us in helping to raise awareness about the role of Children's Aid in the community, the importance of early prevention, and the shared responsibility that all members of the community have in protecting children and youth. Our call was met with an **incredible** response once again!

We can't thank you enough for your partnership and support, and for all that you do to support children, youth and families each and every day!

Thank you Windsor-Essex!

October 2016

Go Purple for Child
Abuse Prevention

Thank you
Windsor-Essex!

For your support
and participation

Together we can
make a difference!
